LEGEND

- STUDY AREA
- MURRAY RIVER RESERVE
- EXISTING
 - REDGUM TREES
 - RESIDENTIAL TREES
 - DIRT TRACK
 - FENCELINE TO BE RETAINED
 - FENCELINE TO BE REMOVED
- PROPOSED
 - TREE
 - ACTIVATION AREA
 - LAWN AREA
 - PLANTED AREA
 - COMMUNITY MARKETS
 - SIGNAGE
 - WAYFINDING SIGN
 - BBQ PRECINCT
 - RV & TENT CAMPING

KEY

- Strategically placed deciduous trees to create shade opportunities and contrast with the existing Eucalyptus forest - providing shade in Summer months and solar access through Winter.
- Better connection throughout the site through upgraded and new pathways.
- Protection of existing trees and Reserve areas.
- Retain and improve existing amenities to encourage more visitors through mixed use activities, opportunities for activated play areas, markets and events such as a outdoor cinema.
- Extend irrigation across the whole site to connect the two spaces and improve visual amenity.
- Opportunity to utilise and repurpose the existing horse sheds to incorporate a BBQ precinct with park amenities. Proposed demolition of the uncovered shed to open up the space.
- Inclusion of a senior playground and exercise elements to offer a different play experience compared to the existing one.
- Utilise existing service lead-ins to be accessed for the BBQ shelter, activated playscape and multi-use area.
- To incorporate the existing toilet block, the park-facing walls could be celebrated with local artwork/murals.
- Improved access through removing the majority of fencelines currently segregating the site.
- Demolish existing fenceline and replace with bollard and wire to encourage pedestrian access and match the Riverfront Park to encourage better access and use through re-styling existing fences and gates.
- Opportunity to upgrade the existing boat ramp and park amenities.
- Location of existing trail.
- Future clubroom upgrades to feature an extension and new balcony.

KEY

- Implementation of a Riverfront Walkway with 'lookout' seating towards the Murray River
- Consider River Boardwalk to serve as a cultural node, building and improving spaces of cultural significance on site. Boardwalk to extend over waters edge to have floating feeling.
- Potential to protect the existing timber statues and signage with a light-weight arbor structure, forming the main entrance to the park.
- Extend entrance into the park through a second arbor, allowing the grape vines to overgrow the structure.
- Retain and improve existing amenities to encourage more visitors through mixed use activities, markets and events such as an outdoor cinema.
- Relocate existing park furniture to afford better amenity and be complimentary to the upgraded landscape.
- Vehicle turnaround area with the opportunity to host food-trucks during community events.
- Protection of the existing trees and Reserve areas that frame the site.
- Opportunity for Public Art installation.
- Opportunity for a formal information / gathering space at the entrance to the park.

- EXISTING
- TREES
- RESIDENTIAL TREES
- FENCELINE
BOLLARD & CHAIN
- PROPOSED
- TREE
- ACTIVATION AREA
- RECYCLED BRICK PAVING
- LAWN AREA
- PLANTED AREA

KEY

- ① Opportunity to activate the space through Gateway Artwork and low planting.
- ② Upgrade the fence surrounding the existing Sculptural Artwork and build low retaining walls to bring the sculptures to road-level. By consolidating the sculptures to the upper-level and adding low maintenance planting behind, the space will become better linked into the site.
- ③ Orientate the proposed toilet block & multi-use platform to maximise the extent of the park during community events.
- ④ Include removable bollards to allow for Monash Avenue (laneway) to be closed to vehicles during community events.
- ⑤ Include surface artwork on the existing road bitumen to activate the space and informally include the area within the park.
- ⑥ Retain recycled brick paving to mark the entrance to the Senior Citizens Centre.
- ⑦ Relocation of the existing community timecapsule to outside the Senior Citizens Centre. To be laid amongst brick paving.
- ⑧ Opportunity to better connect the park and it's surroundings through a new concrete path network.
- ⑨ Install pram crossings to connect park to Nyah West skatepark.
- ⑩ Utilise open green space on the adjacent side of Monash Avenue (laneway) to expand on existing playground with a signature piece such as a flying fox.
- ⑪ Existing playspace.
