

Lake Boga Inc Community Plan 2023-2028

It's time for a fresh new Community Plan for Lake Boga, and to support this process, we need your input and assistance.

The old Community Plan 2017-2022 was formulated by the residents of Lake Boga and is a list of prioritised project and activities which Lake Boga Inc strives to achieve. Successful outcomes from this process over the past couple of years include:

- Extension of the active path around Lake Boga (more works needs to be done)
- Assisted in the process of removal of the Catalina Motel
- Currently planning the installation of Silo Art after accessing funding
- Assisting the community with activities such as the New Year's Eve fireworks
- Advocating for the sealing of Cemetery Road
- Installation of fitness equipment and lighting around the Lake
- Actively involved in the installation of the Catalina playground

Next Step

If you have ideas that you think should be included in the new Plan we need to know about them.

It could be involved with Art and Culture, Tourism and Business Development, Festivals and Events, Recreation Facilities/Infrastructure or Community Pride and Beautification or in any other area you wish. There is NO bad idea.

After we have received your ideas we need you to attend (date to be determined) a public meeting to place all the ideas in some priority order.

How to provide input

- Online survey - <https://www.surveymonkey.com/r/CRF8GY6>
- Hard copy - Fill in attached table and return either at Lake Boga Chemist or email to nkeighran@swanhill.vic.gov.au

Lake Boga Inc Community Plan 2023-28
