## Swan Hill Tourism and Cultural Hub, moving forward

Swan Hill Rural City Council continues to take positive steps forward in the development of a new Swan Hill Tourism and Cultural hub at Pioneer Settlement.

Director of Planning and Development, Heather Green, said Council had successfully appointed an architect and together they had commenced working with Heritage Victoria.

“Together with our architect, we are working with Heritage Victoria, to ensure that the development meets all requirements of the heritage registration.

“Our architects are currently preparing preliminary concept designs and are looking forward to updating the community on their progress.

“They have taken on board our communities’ feedback from earlier this year, and we will be hosting a community information session for the architects to present the designs on Wednesday, 26 July.

“I encourage anyone interested in learning more about the hub development, to come along and hear from our architects,” Ms Green said.

Ms Green said some concepts would be available to view during the information session and would then be available online at: <https://letstalk.swanhill.vic.gov.au/swan-hill-tourism-and-cultural-hub>

For more information, please contact Council on 50362333.
