

Swan Hill Rural City Council presents

Beyond Bricks & Mortar

HOUSING SUMMIT '23

Building solutions together

Swan Hill Town Hall

Monday, 20 November 2023

7:30am to 1.50pm

Facilitator - Max Hardy

Max is one of Australia's most sought after facilitators, and a foremost expert in co-design and deliberative process, having designed and facilitated over 40 deliberative panels since 1998. Regularly delivery workshops and master-classes on deliberative processes at conferences and for the professional development programs of the Municipal Association of Victoria, IAP2, Tamarack Institute and Collaboration for Impact.

Keynote Speaker - Peter Maddison

Peter Maddison is a multi award-winning architect. He is committed to the profession's development with guest lecturing, seminars and has always participated in committees. Maddison Architects has completed over 300 projects since its inception, including hospitality, tourism, residential, educational and commercial. The practice has sought to create a new and relevant architecture. The Practice has received some significant commendations and awards in the Architecture design field. Peter took on the role of Host of the Australian production of Grand Designs in 2009.

Speaker - Steve Dunn

Steve has held senior executive positions in state and local government over more than 35 years with extensive experience in urban planning, social and affordable housing, and economic development, and more recently as a consultant. Experienced in assisting and providing advice to councils, community housing providers, developers and industry peak bodies to facilitate and guide affordable housing initiatives. Steve is a Registered Planner and Fellow of the Planning Institute of Australia.

Speaker - Roger Hastrich

Roger has been delivering consulting services across Victoria since 2007 having previously worked in both local and state government and the community sector in mental health, youth services and aged care. Housing has been a recurring focus throughout Roger's consulting work, most recently in the development and delivery of a regional project geared towards building capacity and connections between Council, housing and service providers, developers, philanthropists and academics.
